

My visit to the Knock Knock Museum

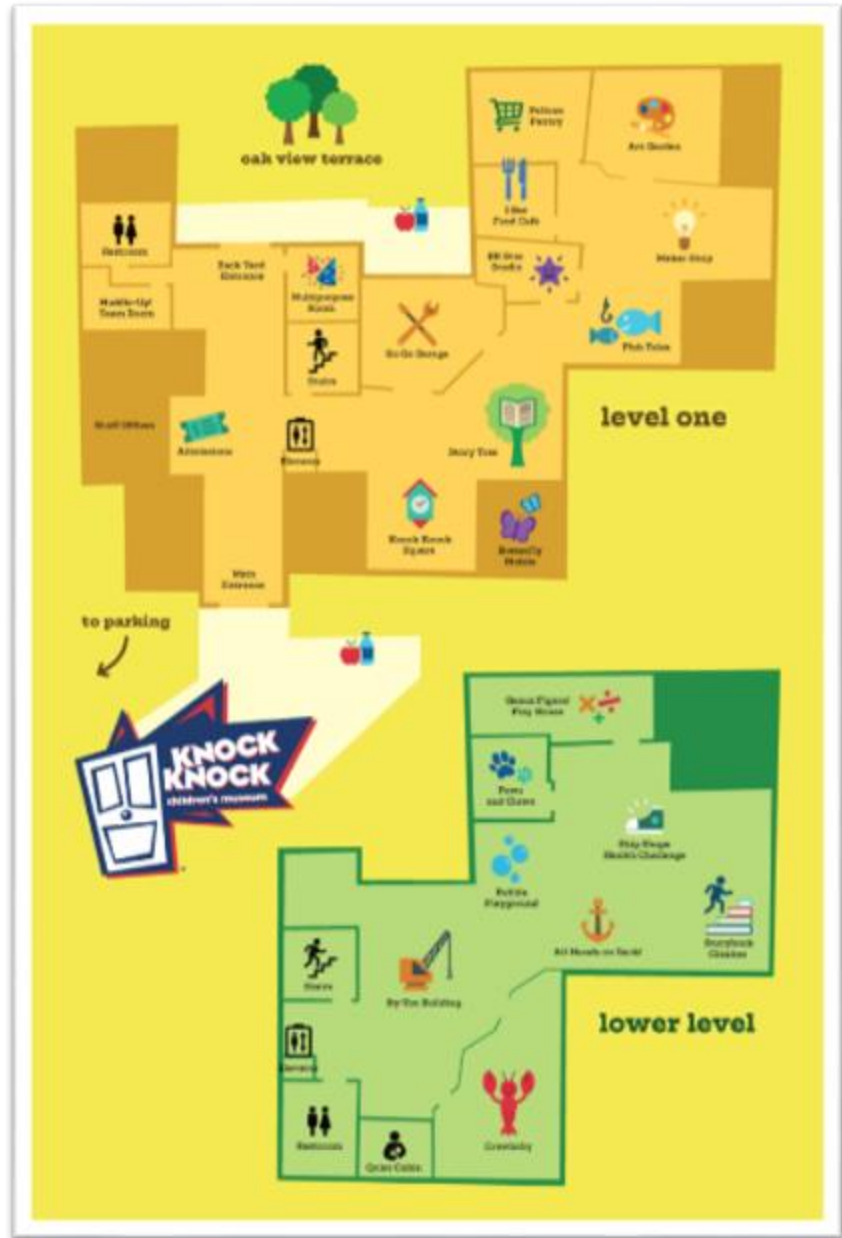

I am going
to the Knock Knock Museum.

I will meet my friends at Knock Knock.
My family will come with me to the
Museum.

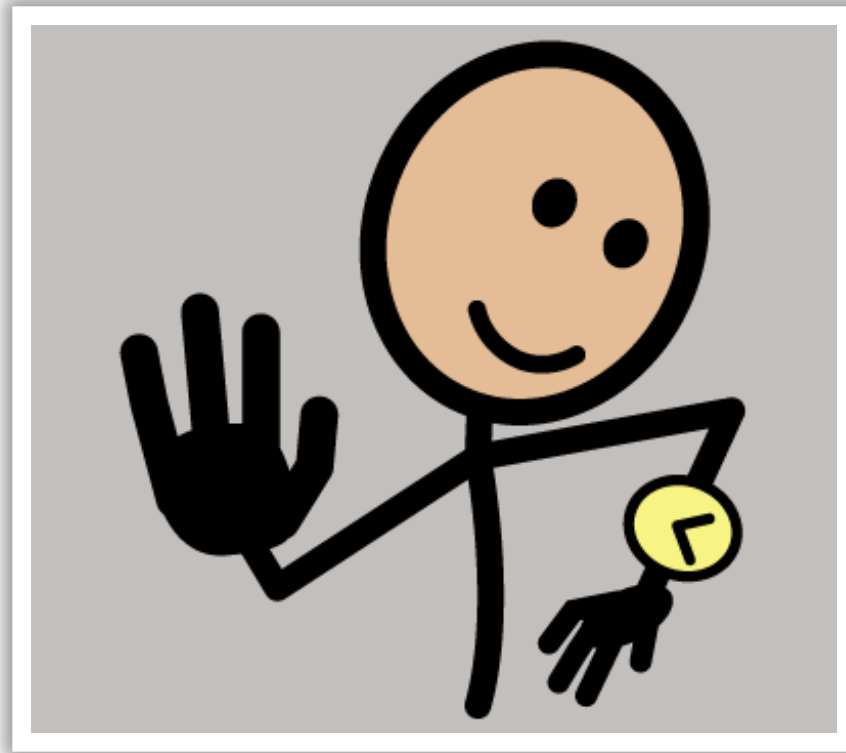

We can ask for a map and then it is time to walk around the museum.

BE CAREFUL

**WALK
DON'T RUN**

I will not run at the museum. I do not want to fall and hurt myself.

I will wait my turn when playing with some activities. It is nice to take turns with friends.

Knock Knock Square

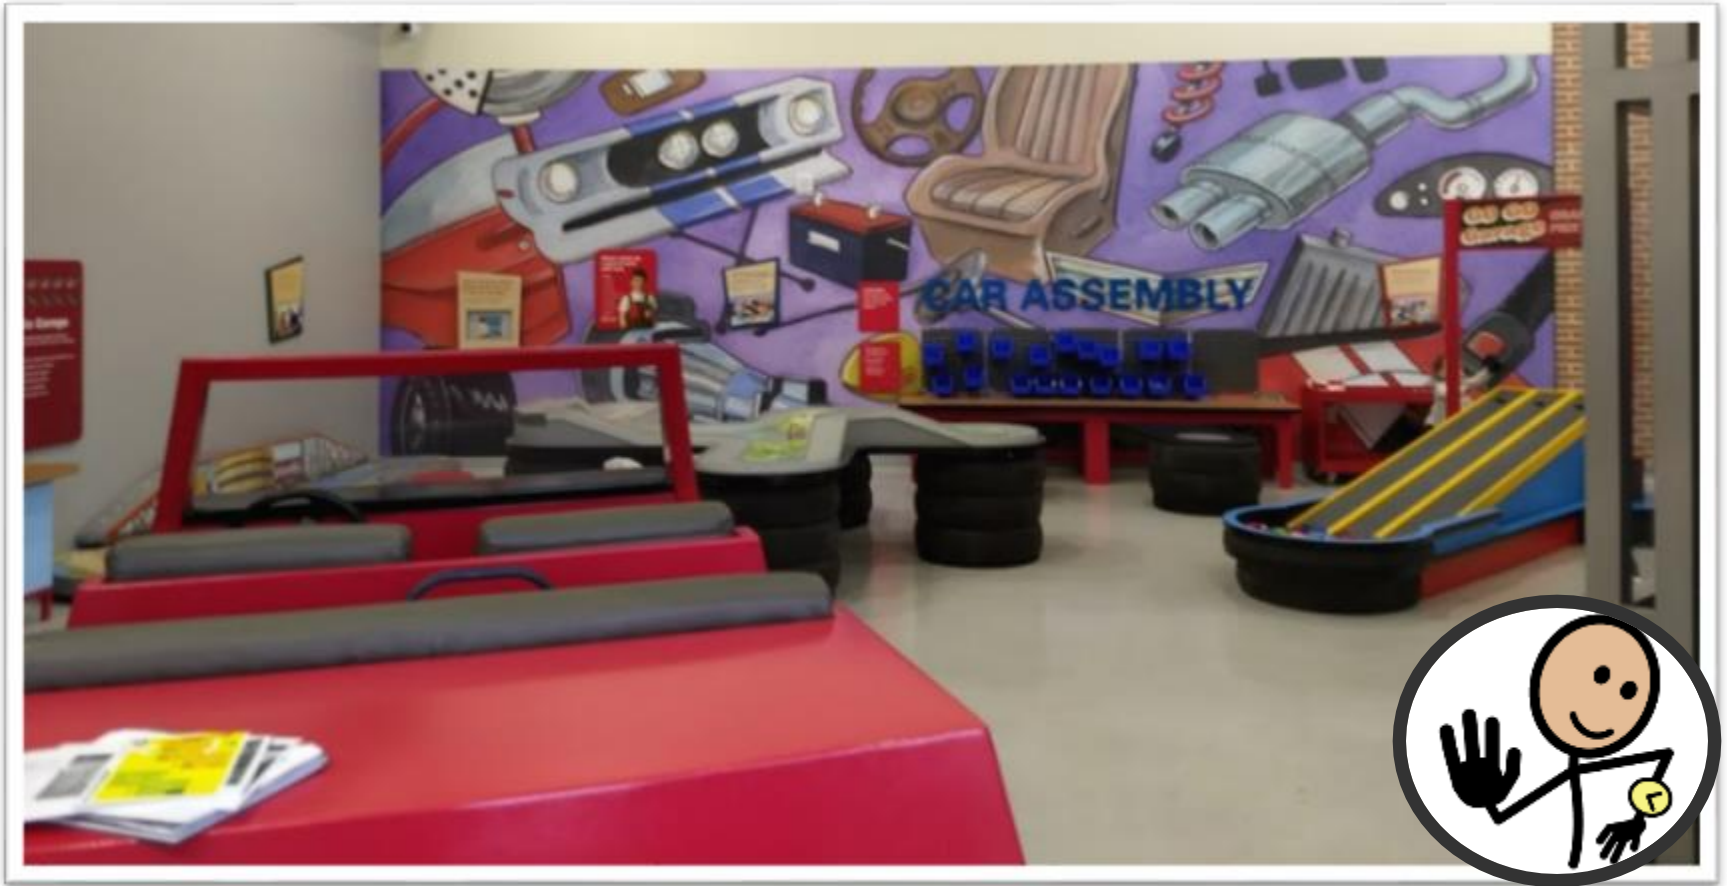

I can watch a story on the big story book screen.

Story Tree

I can find a 'tree trunk cushion' and books to read. I can look at the butterflies and send letters around the mail chute.

Go Go Garage

I can go in the carwash, climb in a car, push cars down the ramp or carry tires!

BR Star Studio

I can dance and watch myself in the mirrors! I can use scarves and change the music, if my grown-up helps.

Fish Tales

I can catch fish with a pole. I can make a big fish puzzle. I see a big picture wall.

Knock Knock Maker Shop

I can use the materials to build things. I will clean up after I play.

Art Garden

I can paint,
draw, tear
paper and
play with
magnets.
I can clean
my hands if
they get
dirty.

Pelican Pantry

I will go to the grocery store. I can pick items off the shelf and 'check them out'. I clean up after I play.

I See Food Cafe

I can fix my family
dinner, carry
plates and sit on
cube chairs.

Lower Level

I walk down
the stairs to find
more activities.

I walk slowly
and can hold
my grown-up's
hand.

Crawbaby

If I am under 3 years old, I can crawl, climb, and slide. I will be careful and take turns with friends. I will take off my shoes when I play in the Crawbaby Learning Zone.

Quiet Cabin

This is a place I can come to and feel safe and quiet. There are puzzles, books, and blankets.

By-You Building

I can build with cranes, Legos, blocks, and pipes. I can walk across a bridge!

Bubble Playground

I can make bubbles.
It is ok if I get a little
wet. I love bubbles.

Paws and Claws Clinic

I can take care of the animals. I will not get scared. I can use tools to help them feel better.

Geaux Figure! Playhouse

I can build and learn with magnets and gears.

Ship Shape Health Challenge

I can jump, balance, and hang. I will be very careful. I will ask for help when trying new things.

All Hands on Deck

I will take turns powering the boat. I can pretend to be the captain.

Storybook Climber

I can climb here. I will be careful and take turns with my friends.

When it is time to leave, I will not be sad.
I had fun at the Museum.
